

Solid Waste Management District O is now accepting applications for 2026 District Grant Projects designed to provide or enhance recycling and/or waste reduction services and programs.

Applications must be received by the
District O Administrative Office
NO LATER than 3pm, Friday, December 12, 2025.

Projects eligible for funding MUST meet the following criteria:

- 1) Be located within the five-county region served by District O: Christian, Dallas, Greene, Polk, and Webster.
- 2) Provide safe, reliable, and cost effective [efficient/affordable] recycling and/or waste reduction services and/or programs.
- 3) Meet all other requirements from District O and the Missouri Department of Natural Resources Solid Waste Management Program as outlined in the 2026 application package.

All applications are welcome.

For more information:

Call the District O Administrative Office at 417.360.5021 or email Angie Snyder at angie@recycle417.com
